ROUND II - Workshops to compare, share, create and improve

Using findings, products and experience from Workshop Round I

1. Assessments (Barbara Geiswinkler AT, Liina Kaljula EE)

Are Assessments in international practicals a realistic, future-oriented, sustainable approach?

- Advice for future development and improvement
- Criteria of Assessments abroad (objectivity, validity, reliability)

2. Learning units

Which conditions / learning environments..... are required to integrate / combine / connect Learning units (sets of competences, modules...) into “regular lessons”??? Are learning units constructed for work placements only or do they play an essential role in the learning process?

- Advice for future development and improvement

3. Project management (Nicolas Negretti LU, Gioconda Neamt RO, Ramon Fernandez Aparicio ES)

How can you facilitate / ease a smooth project management?

- What are the key elements to take into consideration?

4. How to transfer results to curricula / daily work? (Tone Mosebø NO, Rita Alves PT)

Best practice examples for transfer of project results / tools into curricula / daily work:

What is necessary? How to adapt? Can it be a start for further development?

ROUND III - Workshops on strategic questions

Strategy to increase number and quality of mobilities (Barbara Sterkl AT, Eva Maier AT)

- share experience, define future challenges
- list – dos and don'ts - advice to applicants – what is important?
- examples of dissemination, implementation
- common text for future mobility projects?

Strategy to maintain the quality and ensure continuity of competitions (João Gonçalves PT?)

- exchange of past experience, identify possible weaknesses, define quality criteria
- suggestion of new competition – topic, basic regulations, age level, content, set up of task force

Strategy to enforce public relations (Judit Covics) – Editorial group members and interested participants

- feed Facebook page
- write articles for website on various seminar topics – e.g. results of workshops – details of group walk& talk, experience

Strategy to facilitate intercultural exchanges (Janine Wulz, 3s)

- intercultural competences
- social competences in demand
- European Dimension in international cooperation

Meeting of National Coordinators (Executive Committee)
